FORMATION

In forming a charity/non-profit organization, it is important to have an answer in mind for the following 10 questions:

1. **What kind of charitable purpose will the entity serve?**

2. **Will this entity fulfill a need in my community?**

3. **Who will I be helping and how will I be helping them?**

4. **What business form will my charity take?**

5. **What is the procedure necessary to establish my charity?**

6. **What Florida laws and regulations will impact my charity?**

7. **What federal laws and regulations will impact my charity?**

8. **How will establishing this charity help me and my family?**

9. **How will establishing this charity hinder me and my family?**

10. **Who can I depend on to help answer these tough questions?**
